

Flat Unfinished Sheets

supplying guide for flat unfinished sheets

Setting up your Flat Unfinished Sheet

We print on flat sheets which are sized at 460mm x 320mm, however, the printable area is only 438 x 308mm, which is why we have created the templates at that size. If creating your own artwork without the help of a template please ensure that your artwork stays within the printable area, whilst leaving a 5mm 'safe area' from the printable edge.

Flat Unfinished Sheet Checklist

- ✓ Artwork is 300dpi
- ✓ CMYK Colour profile
- ✓ All fonts embedded
- ✓ If your artwork is double sided, ensure that everything is aligned correctly.

Need more help?

We have a range of templates for you to choose from!
You can find them at the bottom of each product page.
