

6 Sheet Posters

supplying guide for 6 sheet posters

We print our 6 Sheet posters on 150gsm outdoor poster paper, that conforms to industry standard specification for water-resistant outdoor signage.

It is strong, resists cracking and flaking, has minimal tearing and adheres well to base materials - perfect for the weather in the UK!

Our outdoor posters are intended for distance viewing only, as images may appear jagged at close range.

If you are unable to design your artwork at the full size needed, we are able to accept artwork sent as a percentage of the size, which our automated system will scale up. The most popular percentage to supply 6 Sheet artwork is 1/4 size (300 x 450mm).
